Don't Give Blank Checks

One of the bills before the Illinois General Assembly that appears likely to be approved calls for a referendum approving a Constitutional Convention.

If voters approve the Convention, they will be handing the legislators a blank check to do what they will with Illinois' Constitution.

Tactically, they will be giving voter approval to an income tax. The main reason for the desire of some legislators to revamp the Constitution is to find ways to raise more tax money.

If the legislators find the provision that protects Illinois taxpayers from imposition of an income tax irksome, then this particular act should be revised and submitted for voter approval. In any wholesale revision, the public is sure to be the loser.

A Constitutional Convention is not going to be a great deal different than a session of the Assembly. Democrats and Republicans will fight for their own special interests, with frequent charges of pressure from Mayor Daley or downstate Republicans. Pressure groups representing every interest will bring their force to bear, and frequently win out to the loss of the forlorn, unrepresented common man.

We were promised speedy, efficient courts when voters foolishly approved the Blue Ballot amendment. Civil injury cases still wait 5 years for trial. Local courts were discontinued, making it more difficult for the police to carry on their work.

Would you hand your representative a blank check on your bank account, with your signature, and the amount to be filled in at his discretion? This is what the voters of Illinois will do if they approve a Constitutional Convention. And the legislators will fill in the amount in higher taxes, payable by you.

Courthouse Notebook

BY LOU DURKIN

There are indications that some communities in Lake County are taking steps to deal with anticipated disturbances during the coming summer months.

In most cases the steps consist of instructions for police in mob and crowd control and the purchase of riot sticks, clubs, and other weapons.

Not much has been said about steps to correct the conditions which spawn the disorders.

State Senator Robert Coulson, who has been pushing for establishment of a state university in Lake County, is still hopeful that it can be accomplished, but it appears that an "angel" will have to appear to make the dream a reality.

Officials have indicated that 300 acres of open country would be needed to provide adequate land for a college and it should be near a major highway to facilitate student commuting.

A gift of 100 acres adjacent to 200 more which the state would buy would come closer to insuring selection of Lake County as a site.

The gift would not necessarily have to be the work of one person; perhaps a group of Lake County leaders could pledge the money necessary to purchase the 100 acres.

Legislation to force re-apportionment of counties under township government appears dead for the current session of the Illinois general Assembly in view of the U. S. Supreme Court's refusal to rule on a trio of suits involving local government apportionment.

This doesn't mean, however, that advocates of a major change in the system of local government won't come back again and again until they have achieved their goal.

The Lake County Building Commission is finally getting hard-nosed with the general contractor on the new coun-

ty building, but it doesn't seem to intimidate the builder who is meeting threat with threat.

Holders of June and July dates in the building completion pools are about ready to tear up their slips while those with dates in the fall months are only slightly optimistic.

Chicago area baseball fans are finding it hard to believe but the Cubs are still in the first division with Memorial Day come and gone and the White Sox are acting like potential titlists more often than not.

While even the most optimistic refuses to hope for a CTA series none of them are making World Series reservations in any other cities at this time, either.

Lake area resort owners are worried about another summer of rainy weekends which have plagued them so often in the past.

It is almost impossible for a resort owner to recover from a rainy holiday weekend and this could be another disastrous summer that could see the demise of many operators.

Some tavern owners in Lake County are finding it increasingly difficult to understand why the Illinois legislature is so adamant about increasing the corporation franchise taxes when the state is apparently in need of additional revenue. Their complaint is that the taverns, and the liquor industry as a whole, pays federal, state and local licenses in order to operate and local real estate and personal property taxes are added to the burden.

This in addition to a sizeable tax on the products they dispense.

The tavern operators feel that perhaps some of the fiscal needs of the state could be met with an increase in the corporation licenses instead of increasing the cost of operating a tavern.

Your Congressman Reports.....

By Cong. Robert McClary

One of the miracles of the recent series of tornadoes in Northern Illinois is the absence of death or serious injury within the 12th Congressional District (comprising Lake and McHenry Counties and Barrington and Hanover Townships in Cook County). This gratifying result is virtually unbelievable to those who have witnessed the devastation wrought throughout many areas of the District. Lake Zurich alone had more than 70 homes completely destroyed by the force of a violent storm. This same storm wreaked havoc in the Biltmore area of Barrington and other more sparsely populated areas where homes and other buildings were leveled by the violence of wind and flying debris. In Lake Zurich, the Paine School was virtually demolished only a short time after the school children had departed for their homes. In McHenry County an alert school bus driver evacuated 32 children from a bus only seconds before the bus was hurled into the air by the violent storm and then destroyed in a flash fire as it struck high voltage wires.

In the face of all this destruction, not a single person was killed or even seriously injured. While part of this result may be ascribed to luck, most can be attributed to the precautionary and wise steps taken by the citizens who found themselves in the paths of the several tornadoes. Many persons remained safe and unharmed in their basements as the tornadoes ripped their homes from their foundations and devoured buildings and contents. Others sought safety in crawl spaces below the main floors while roofs and walls were scattered by the storm. In the case of the school bus loaded with children, the calm and wise bus driver, Floyd Jones of Harvard, unloaded his small charges in a nearby ditch as the tornado tore the bus from the road while the children hugged the wet earth in safety.

Many deaths and some serious injuries occurred elsewhere in Illinois — some of which might have been avoided by timely warnings and precautionary practices.

The Environmental Science Services Administration of the U. S. Department of Commerce has urged increased alertness among citizens to prepare for and avoid the physical dangers tornadoes can cause. Citizens may prepare themselves for tornado destruction by staying close to their radio and television sets to receive tornado warnings in the area. Frequently, a tornado can be seen long before it strikes as a black funnel cloud, generally low in the sky.

The Department of Commerce Agency provides the following advice: When you receive a tornado warning, seek inside shelter, preferably in a tornado cellar, underground excavation, or steel-framed or reinforced concrete building. Stay away from windows. If you are in an office building, stand in an interior hallway on a lower floor or basement. Factory workers should post a look-out and move to the section of the plant offering greatest protection. In homes the basement usually offers greatest safety. Seek shelter under heavy furniture in the center of the house if you have no basement. Keep some windows open, but stay away from them. Do not stay in house trailers when a tornado warning is received. In schools, go to an interior hallway or basement shelter; avoid auditoriums, gymnasiums, and other structures with wide, free-span roofs.

In helping to provide service to others, the agency suggests: "If you see a tornado—and if there is time—report it to your local Weather Bureau Office, or to law enforcement agencies."

Some sample prices in ads in the 1937 newspaper: Work shoes, \$1.08; Ladies slacks \$1; Weiners, 2 lbs. for 29c; Round steak, 29c per lb.; Choice cut beef roasts, 21c a pound.

THIRTY YEARS AGO

From The Antioch News of May 27, 1937

Dr. John L. Zimmerman was chairman of the Memorial Day observance in Antioch. Arthur Mapleshorpe was Marshal of the Day. John N. Pacini, veteran of the Spanish-American War, was to be honored as the oldest veteran.

Others concerned in the Memorial Day observance were James Stearns, James L. Waters, Miss Elizabeth Webb, Mrs. Walter Hills and Miss Lottie Jones.

Forty-three students were graduated from Antioch Grade School and the rural schools in the area.

Dr. G. W. Jensen presented the annual Legion award to Jeanette Whitely and Frank Petty, selected by their classmates as ideal future citizens.

Teacher Of The Week

Ralph Brooke, teacher of Vocal Music at ACHS

Ralph Brooke teaches vocal music at Antioch Community High School and is sponsor of the Senior Choir, and of the Swing Choir.

Mr. Brooke was born in Casey, Illinois, where he attended school, including Casey High School. He attended Butler University, Louisiana College, Millikin U., Florida State University, with Music his Major subject and a Major in Voice. He received his B.A. degree in 1953 and his Masters in 1955.

Mr. Brooke has won honors throughout high school and college in his major interest.

In high school he won a National vocal contest. As a college undergraduate, he received a Director's award from Louisiana College and was student Assistant Director of University choruses. He was also a Graduate Assistant in Voice at Millikin University.

Mr. Brooke and his wife, Lee Nugent Brooke, have two children, Ruth 13, and David, 7. His hobbies are reading, travel and music.

In addition to his activities at school, Mr. Brooke is Director of Congregational singing at the E.U.B. Church in Lindenhurst.

home at the Knickelheim apartments on Lake St.

TEN YEARS AGO

From The Antioch News of May 30, 1957

Ralph David Petty graduated from Carroll College. He received a B.S. degree in Biology. A graduate of Antioch High School, he is the son of Mr. and Mrs. W. C. Petty.

Gordon K. Velling was to be installed as Master Councilor of the Lakes Chapter, Order of the DeMolay. Other Antioch boys to be installed were Peter Zalatouris, Junior Deason; James B. Burke, scribe; Ray Van Patten and Robert Wertz, aids to the Master Councilor, and John Parker, Stannard Bearer.

Seventy-one students were in the graduating class at Antioch Township High School. Jerry Huml and Joan Mair were chosen Outstanding Boy and Girl of the graduating class.

Seventy-two students graduated from Antioch Grade School.

Miss Audrey Hattendorf became the bride of Dr. Robert A. Bywell.

Letters to the Editor

Editor: Antioch News
Antioch, Illinois.

Dear Sir:

Imagine how enraged we would be if our Doctor insisted on treating a small malignancy only by giving blood transfusions and refused to even consider removing the deadly tissue.

Why shouldn't we be enraged then, when Doctor L.B.J. (Democrat) and Doctor McNamara (Republican) refuse to consider Victory in Viet Nam and insist in spilling American Blood there to maintain Ho Chi Minh's 31st rate World Power?

With Cautious enemies like this, I do not need any friends.

Sincerely
Robert J. Detienne

As It Happens—

By Rep. W. J. Murphy

Good Judgment

A Bill that would have set up a Medical Review Board for the State to examine people in allegedly poor health, was defeated in the Appropriation Committee this week and is now dead for this Session.

This Bill, if it had passed into law, would have cost \$450,000 to implement it and been a source of harassment and inconvenience for the people of the State. It would have made it mandatory for any driver that anyone or any Doctor reported was thought to have high blood pressure, a heart condition, diabetes, hearing problems, etc., to appear before them wherever they were sitting and show cause why they should be able to keep their driver's license. We already have a Bill before the House to re-examine drivers. This would have been an unnecessary hardship, as a lot of people who have had a heart attack and/or one of these other ailments are under treatment and perfectly able to drive their automobiles and provide for their families' social and economic welfare.

It was nice for a change to see some sound judgment on the part of this Legislative Committee in defeating this bad Bill.

Our Highway System In Jeopardy

A series of 32 Bills was heard by a committee of the Whole House this week that would cause a revolutionary change in our maintenance and building of our highways in the Counties and Towns of our State. It also calls for an increase in our state tax on gas from five cents to eight cents (plus sales tax). It would make all hard surfaced County roads revert to the Counties for maintenance. The State now has them under their road system and is responsible for their upkeep. We who are in downstate counties only get 12 per cent of the Motor Fuel Tax divided between 101 counties. We could not ever afford to build a new County highway again because it would take all our share of the allotted Motor Fuel Tax to maintain these many miles of roads now maintained by the State.

The Bills go much further in that they would give the State Highway Department complete zoning power within 1 1/2 miles of any intersection. It would also allow the County and/or the State to purchase ground and remove it from the tax roll for possible future highway use. This, of course, is all based on the fact that we would allow them a three cent gas tax increase and four cents a gallon on diesel fuel.

I was rather disappointed and a bit peeved to see our own Lake County appointed Road Commissioner, Mr. Melvin Amstutz, in Springfield on the taxpayers' money to appear as a witness in behalf of this radical legislation asking us to be brave and tax the people this extra gas tax. Mr. Amstutz is another example of the appointed bureaucratic official who is constantly after new types of radical legislation and services and mouths the trite saying, "the people want it."

I believe an appointed official should not be allowed to lobby, at the taxpayers' expense, in Springfield for Bills or laws that will cost the very people who pay his salary, more taxes.

At least an elected official who represents the people

Announce Exams For Military Academy Appointments

Congressman Robert McClary (R. Lake Bluff) has announced that he is now accepting applications from candidates for appointment to the United States service academies. Classes of 1972.

In order to be eligible for admission to the classes which begin in the summer of 1968, a candidate must be between the ages of 17 and 22, single, and a high school graduate at the time of his scheduled admission. Each interested young man will undergo rigorous physical and scholastic examinations as part of the competition for admission to the military academies.

The United States Naval, Military and Air Force Academies offer a four year program leading to a Bachelor of Science degree and a commission as an officer in the respective branch of service. All prospective applicants are urged to write to Congressman McClary, stating their desire to make the

military service their life career and informing him of their interest in an appointment to the academy of their choice.

Although Congressman McClary will accept applications for the 1968 nominations until late September 1967, prospective candidates are encouraged to submit their applications prior to June 1, 1967. This will insure their inclusion in the group of competitors scheduled for the first examinations on Tuesday, June 11, 1967.

Address communications to Congressman Robert McClary 1123 Longworth House Office Building, Washington, D. C. 20515.

To Hold Open House At National Shrine Hospital

An elaborate "open house" program, to which the general public, as well as Shriner members, are invited, will mark the local celebration of National Shrine Hospital Day on Sunday, June 4, at the modern institutions for crippled children, 2211 N. Oak Park Av.

The program, celebrating the hospital's 41st birthday, will be presented between 2 and 4 p.m. on the spacious hospital grounds, and includes: Medinah Temple's Brass Band, Oriental Band, Chanters, Marshals, Motor Corps, Arab Patrol and other of its colorful parade units.

Principal speaker will be Past Imperial Potentate Harvey A. Boffa of St. Louis, chairman emeritus of the St. Louis unit of the Shrine Hospitals and vice-chairman of the international board of which Harold Lloyd, the former movie star, is chairman. It was his plea at the Toronto

convention of the Shriners several years ago which resulted in the appropriation of \$10 million to build three additional units for the care of burned children. The Burns Institutes in Galveston, Texas, and Cincinnati are now in operation. The third, in Boston, will open shortly.

As publicity director of the St. Louis Community Chest in 1942, he originated the "Red Feather" symbol now used universally.

The Chicago unit is one of the 19 orthopedic hospitals in which more than 151,000 children have been treated since the first one opened 45 years ago in Shreveport, La., without charge or regard for religion, color or race. This year the Shriners are spending almost \$30 million to build, maintain and operate these facilities, bringing to more than \$87.5 million the total spent in the last three years.

Money to support them comes in many ways, including more than 40 Shrine sponsored football games, of which the East-West classic is the best known; an annual assessment on each of the nearly 900,000 Shriners in North America, and from wills, bequests and gifts from those within and outside the order.

Fifteen of the Orthopedic hospitals are in the continental limits of the United States, one in Hawaii, two in Canada and one in Mexico. A new out-patient wing at the Mexico City hospital was dedicated several weeks ago by Orville F. Rush, Imperial Potentate.

The local program on June 4 will be directed by Thomas C. Roberts, chairman of the Board of Governors of the Chicago unit, and will also include Potentate G. William Sullivan of Medinah Temple. Tours of the 68-bed Chicago unit, which has within the past year completed a \$250,000 air-conditioning and renovating project, will be under the direction of Mable Ramspeck, R.N., administrator, and will precede and follow the outdoor program. Dr. Edward A. Millar, noted orthopedic surgeon, is the hospital's chief of staff.

Ample parking space is available at the hospital and on the adjacent grounds of the Mars Candy Co., which annually turns over its facilities on Shrine Hospital Day to visitors.

Millburn Hornets Hold Meeting

The Millburn Hornets 4-H club held a meeting at the Millburn School Monday evening, May 22.

The club presented Mrs. Marvin Walker, their assistant leader, with a silver tray and billfold for her service to the club and its members during the past several years. Mrs. Walker and her family are moving to South Dakota in June to their new farm.

The president announced the "farm meeting" will be held June 12th at the Doolittle farm. Mr. Wells reported members, parents, and friends of the Millburn Hornets and Millburn Maidens 4-H Clubs had enjoyed a roller skating party at the Park Rink in Zion on May 21. Plans are being made for another skating party in the fall.

Project reports were given by Steve Bonner on "Preparing a Dairy Animal for Show", Faith Olson on "The History of Handicraft", and John White on "Clipping an Animal".

Mr. Wells showed the club his collection of Indian arrows which he has been collecting for several years. Refreshments were served following the meeting.

Public Aid Increases In March

The number of persons on public aid increased in March 1967 in all programs except Blind Assistance. The overall total of 431,963 persons included 325,102 eligible for monthly assistance payments and medical care in the Assistance to the Aged, Blind or Disabled and Aid to Dependent Children; 43,618 persons receiving Medical Assistance only and 63,243 on General Assistance.

The total number of persons on Public Aid in Lake County for this period was 2,683. They received \$167,652.

It's easy to place a classified—just call 395-4111.

Amateur Contest At Wilmet Fair

According to Terry Havel, Amateur Contest chairman, again this year the Kenosha County Fair will have an Amateur Contest open to persons between the ages of 10 and 18 years of age or on a school basis, students who will be in sixth grade in the fall to those students who graduated from high school this year (1966-67).

This contest will be held on the Thursday evening of the fair, August 10, at 7:30 p.m. The contest is divided into three divisions: Instrumental music (soloists or groups); Vocal music (soloists or groups); and miscellaneous. Prizes in each class will be 1st—\$10; 2nd—\$7.50; and 3rd—\$5, and 4th—\$2.50.

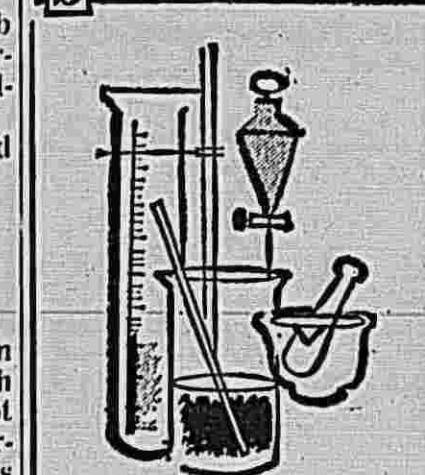

Entries are due before July 1st and should be sent to Amateur Contest, Kenosha County Fair, Wilmet, Wisconsin. Elimination auditions, if needed, will be held Tuesday, July 18th at 8 p.m. at Salem Central High School. If this preliminary contest is needed then the persons selected at this time will be entered in the contest for the fair. Grounds admission for those in the contest. For information call 843-2321.

Two Graduates Of Ind. Management

Norman Goetsch of Route 3, Superintendent of Manufacturing for Hough Co., and Russell W. Nickerson of 69 East Grand Ave. (both of Lake Villa, a Planner-Estimator in Labor Control and Skilled Craft for Johns-Manville Products Co.), were among the 52 members of the Lake Forest College Industrial Management Institute Class of '67 who were awarded certificates at the 21st annual graduation banquet held at the Lake Forest College Commons on Wednesday, May 17. Guest speaker was Warren B. Hayes, President of Pansteel Metallurgical Corp.

The men were selected by their companies for this special four-year program in mid-management training. They attended seminars, one night a week during the academic year, in the IMI building on south campus of Lake Forest College. The program covered such subjects as Effective Speech, Communications, Industrial Psychology, Economic Analysis, Marketing, Labor-Management Relations, and Executive Leadership.

Symbol of Better Health

Rx Stands For Prescriptions

There are many theories regarding the origin of the symbol, "Rx". ... one claims that it is an abbreviation of the Latin word "recipe." Whatever its origin, the "Rx" today symbolizes the prescriptions that help us attain better health, longer life.

Predicts Need For New Sewer & Water Facilities

In an annual report to the Antioch village board, Charles Maplethorpe, head of the water department, said he felt Antioch might need a new water tower in the near future, and that a major expansion of the sewage treatment plant would be necessary by 1970.

Maplethorpe based his conclusions on the increase in use of water and sewage facilities this year as compared to last year. If the next year showed as great an increase, he said, the additional facilities would be necessary.

The daily average water pumpage for last year was

390,000 gallons, Maplethorpe reported. This was an increase of 3.5% over 1965. "A like increase next year," Maplethorpe said, "will put the average daily use above available storage by 3,500 gallons a day."

"The treatment plant flow showed a decrease this year that can be traced to a reduction of storm water infiltration," Maplethorpe's report continued. "This came about by sealing of manholes in low areas and the natural sealing of some of the new sewer lines. I feel this is a temporary condition. At present the treatment plant

is operating at about 4/5 of capacity. I feel that before 1970 a major plant expansion in addition to the lagoon will be necessary."

In line with state recommendations, the Village Board is already planning construction of a lagoon near the sewage plant. The lagoon, according to state inspectors, will provide for settling-out of some of the nutrients in the treated sewerage and will help deter the growth of algae.

Maplethorpe reported that wells 3 and 4 are operating at about 1/4 capacity and on a 12 hour operating basis will

THE ANTIOCH NEWS 3
THURSDAY, JUNE 1, 1967

produce twice the present daily usage. "Supplywise," he said, "we are in good shape. The application of aquadene and chlorine has appeared to obtain the results we were looking for and I feel warrants continuation."

Maplethorpe also recommended replacement of portions of the sewer installed in 1917, using new and larger sewer pipes. "I feel this would eliminate much of the present flooding and stoppage problems and also cut the infiltration problem to a minimum," he said.

Night driving is more dangerous, therefore the driver should be doubly alert when he gets behind the wheel.

American Legion Auxiliary News

By Del Jahneke

The American Legion Auxiliary No. 748 will hold its regular meeting on Friday, June 9, at the Antioch Legion Home, at 8:00 p.m.

The nominating committee will present their slate of new officers for the ensuing year, and there will be an election of these officers, the delegates and alternates to the Department Convention, and the 10th District Auxiliary meeting delegates and alternates.

Mrs. F. A. Swenson, Unit chaplain, will hold a memorial service for the two unit members who had died this last year.

The Antioch American Legion Poppy chairman, F. A. Swenson, and the Auxiliary Poppy chairman, Mrs. Ray Rathmann, wish to extend their grateful thanks to all their volunteer workers; and to thank the general public for their generous contributions to the sale of poppies. These proceeds will go immediately into Rehabilitation service for the hospitalized and disabled veteran, and his dependents.

The committee in charge of this meeting is Mrs. Burt Anderson, chairman, with Mrs. Paul Chase, Sr., Mrs. Gordon Wald, and Mrs. W. C. Petty, as the committee members.

Graduates From Spencerian College

Donald R. Richter, Antioch, was graduated from Spencerian College in Milwaukee May 27. He received a B.A. degree with a major in Sales & Marketing. Donald is the son of Arthur and Florence Richter, Rt. 3, Box 150, Antioch. He was affiliated with Gamma Delta fraternity and the Sales and Marketing Club. Donald is employed by Crawford & Co. as a claims Adjuster.

RETURN FROM 6-WEEK EUROPEAN TRIP

Mr. and Mrs. Chester Dubas returned home June 1 from a six-week European trip.

The Dubas' left O'Hare Field April 19, and flew to London. They spent a few days in Poland visiting relatives, then toured Brussels, Amsterdam, Holland, Wiesbaden, Munich, Vienna, Salzburg, Innsbruck, Lucerne, Venice, Italy, and France.

On their return trip, they flew from Paris to O'Hare airport.

CANDIDATES FOR DEGREES

Three Antioch area students are among the 238 candidates for degrees at Carthage College's 93rd annual Commencement exercises to be held June 4.

The three are Lucella Zilow Anderson, 585 Highland, Antioch; Yvonne Irene Arnold, 1109 Dewey St., Spring Grove; Ellen Taylor Fossey, 462 Winsor Drive, Antioch.

POPPY SALES GOOD

The members of the VFW Post 4551 and the Ladies Auxiliary report that sales were good on Buddy Poppy Day May 19 and 20. They expressed their gratitude to the public and to the workers who took part in the sales.

All proceeds from the poppy sales are used to provide aid and comfort to the veterans and their families.

PARENTS OF DAUGHTER

Mr. and Mrs. Earl Lowe of North Avenue, Antioch, are the parents of a daughter, "Kim Marie", born May 23 at Victory Memorial Hospital, Waukegan. Maternal grandparents are Mr. and Mrs. Robert Garvin of Lake Villa, and Mr. and Mrs. Earl Lowe, Sr., of Camp Lake are the paternal grandparents.

TO ATTEND BELOIT

Lynn Szymoniak, daughter of Mr. and Mrs. Henry Szymoniak, 509 Lake St., Antioch, will enter Beloit College in the fall of 1967.

Lynn is a graduate of Carmel High School for Girls.

STUDENT TEACHERS

Bruce Wollpert, Rt. 5, Box 300, Antioch, is one of 347 students at Northern Illinois University doing practice-teaching stints in schools in Northern Illinois.

Officers Of WSCS To Be Installed

A pot luck luncheon is scheduled for noon at the June 7th meeting of the Woman's Society of Christian Service, Antioch Methodist Church. At the luncheon the members of Martha Circle will be honored for their top attendance during the year.

Mrs. Fred Chapp will give the devotional. Mrs. Fred Bloom will present an original reading entitled "She". Yearly reports of officers and chairmen will be made, and officers for the coming year will be installed. Wesley Evening Circle will be hostesses.

Mrs. Leslie Gilkey of Waukegan will be the installing officer. She is Secretary of Spiritual Life Cultivation for the Elgin District, a talented musician and a capable administrator.

The Officers and Secretaries of Lines of Work are as follows:

Mrs. Robert Bemis, President; Mrs. Russell Homan, Vice President and Program Chairman; Mrs. Fred Bloom, Secretary; Mrs. Elmer Ehem, Treasurer.

Mrs. O. W. Turner, Historian; Mrs. Robert McAllister, Circle Co-ordinator; Mrs. Donald Cobb, Spiritual Life; Mrs. Verl Randall, Christian

Social Relations; Mrs. Clarence Larson, Program Materials; Mrs. Harry Ruck, Missionary Education.

Mrs. Lena Messing, Supply Work; Mrs. Daniel MacHanes, Promotion; Mrs. Charles Watson, Membership; Mrs. Samuel Ries and Mrs. Olive Hallwas, Friendly Aid; Mrs. Robert Duh, Publicity; Mrs. Carrie Pauli, Coin Cards; Mrs. Ralph Parker, Campus Ministry; Mrs. Kenneth Smouse, Youth Work; Mrs. Charles Maplethorpe, Children's Work.

Mrs. Verl Randall, Mrs. James Glenn, Mrs. George Hahn, co-chairmen, Rumage Sales; Mrs. Samuel Ries, Mrs. Walter Hills, Kitchen housekeepers; Nominating Committee: Mrs. Walter Hills, Mrs. Clarence Larson, Mrs. L. V. Siffer.

TERRY TOWEL SHOW SATURDAY

Angie Maras, assisted by Ann Kakacek, will be doing the commenting at an unusual contest and style show at Bell Discount in the Waukegan Plaza, Saturday.

Called Terry Towel Time, the show will display unusual costumes made of terry cloth. Anyone interested in entering a costume should be at the store at 1 p.m. Saturday, June 3. The show will start at 1:30 p.m.

VISITS PARENTS IN ANTIOCH

E-5 Richard E. Hogan, the son of Mr. and Mrs. Earl Hogan of Lake Catherine, spent last weekend with his parents.

Richard has served in the Navy over 9 years and lives with his wife and year-old daughter in San Diego, Calif.

WINS SCHOLARSHIP

Judy Furlan, daughter of Mr. and Mrs. John Furlan, has been awarded a scholarship to Northern Illinois University.

Judy, a member of the Class of '67 at Antioch High School, maintained a 4.0 average in high school.

MYF Plans Summer Activities

There will be no meetings of the Antioch MYF until June 11, when a picnic will be held at the home of Mr. and Mrs. John Laude.

The picnic will include a planning session for the summer activities of MYF. Some of the activities will be off-street parking during the Diamond Jubilee, a float in the Jubilee parade and an ice cream social.

CHRISTIAN SCIENCE CHURCHES

"God the Only Cause and Creator" is the subject of the Bible Lesson to be read in all Christian Science churches this Sunday.

The responsive reading is from Psalm 78, and includes this verse: "And they remembered that God was their rock, and the high God their redeemer."

Over 35 million Americans move to a different home each year.

BIRTH NOTES

Mr. and Mrs. Charles Grieninger, Tacoma, Wash., are the parents of a baby girl born May 25. Mrs. Grieninger is the former Denise Jarvis. Both were formerly Antioch residents.

SUNDAY, JUNE 4, 1967

How do you judge new acquaintances? By their appearance, their possessions? their background? The Bible offers some pointed, helpful words on this subject. Listen Sunday at 7:30 a.m., 8:00 a.m. and 9:30 a.m. to "HOW DO YOU JUDGE OTHERS?"

Where The Boys Are

Ensign John L. Zeihen

NEWPORT, R. I.—Navy Reserve Ensign John L. Zeihen, son of Mr. and Mrs. Bernard M. Zeihen of Route 1, Bristol, Wis., was among 248 new officers of Officer Candidate School (OCS) who were graduated and commissioned at Newport, R. I.

During their four months at OCS, the candidates studied military, tactical, organizational, and technological subjects. In addition to the classroom time, two hours a day was devoted either to close order drill, swimming lessons, physical training or similar activities.

Candidates received actual sea-going experience aboard a squadron of Yard Patrol Craft which are attached to the school and operate daily on Narragansett Bay near Newport.

A graduate of St. Norbert College, W. DePere, Wis., Ensign Zeihen entered the service in January 1967.

GLENDAL, Ariz.—Robert A. Hart, son of Mr. and Mrs. Robert H. Hart of Rt. 1, Antioch, has been promoted to airman second class in the U. S. Air Force.

Airman Hart is a jet engine mechanic at Luke AFB, Ariz. He is a member of the Tactical Air Command which supports U. S. ground forces with air strikes, aerial delivery of troops and equipment and other combat airpower. The airman is a graduate of Antioch Township High School.

His wife, Judith, is the daughter of Mr. and Mrs. William F. Alm of Rt. 5, Antioch.

Social Notes

By Del Jahneke

Mr. and Mrs. Ed Jahneke, Jr., rural Antioch, were united in holy matrimony at the Antioch Evangelical Free Church, on Saturday, May 27, 1967, with Pastor Bernard Fosmark officiating. Edward Jahneke, Jr., and the former Miss Patti Welch of Round Lake, were married the previous September 8th, in a civil ceremony at Hannibal, Missouri. Mr. and Mrs. Robert H. Dunlap, Jr., Grass Lake, were the best man and matron of honor, respectively. The organist was Mr. J. Krieger. Mrs. Jahneke, Jr., was attired in a navy blue dress with white accents, and Mrs. Dunlap, Jr., wore a turquoise and white gown.

The Bernard Rathmann, Oakwood Knolls, in company with some 15 other couples of their "Couples Club" of St. Mark's Lutheran Church in Lindenhurst, recently toured the Benedictine Abbey in nearby Wisconsin, and they all said they found it a most rewarding experience.

Condolences are in order to the Cliff Murawski family of rural Antioch, in the sudden death of their husband and father on Friday, May

Guest of Honor at Testimonial Dinner

Mrs. Arthur (Imogene) Cashmore will be the guest of honor at a Testimonial dinner Saturday evening, June 17, at 7:00 p.m. at the Lake County Farm Bureau Auditorium, Lake County Fairgrounds on U.S. Rte. 45, 14-mile north of Illinois 120.

The dinner is sponsored by the Lake County Republican Women's Legislative Study Club, of which Mrs. Cashmore is the Legislative Chairman. The dinner is open to the public. Reservations must be received by the chairman, Mrs. Ray T. Nicholas, 275 S. Slusser St., Grayslake, by June 10th.

Many organizations of which Mrs. Cashmore has been an active member will be participating in the program. Besides the many other organizations in which Mrs. Cashmore has been active, she is Legislative Chairman for the Avon Republican Women's Club, the Lake County Republican Women's Legislative Study Club, and the Grayslake Woman's Club, and she is a precinct committeewoman in Avon Township, a former school board member, teacher, and writer.

Elected To Honor Society

Judith Turner, daughter of Mr. and Mrs. O. W. Turner, RR 2, Antioch, was cited for recent election into Phi Kappa Phi national honor society at Illinois Wesleyan University annual Honors Day Convocation Friday, May 19.

Phi Kappa Phi is the largest honorary scholastic fraternity in the country and its membership is open to students in all academic areas. A student must be in the upper six per cent of his class to be eligible for membership. Fourteen Wesleyan students were initiated into Phi Kappa Phi on May 19.

Girl Scout Troop 110 Elects Officers

Senior Girl Scout Troop 110 elected officers last Wednesday. Mary Dost was elected president; Patricia Holimon, vice president; Diana Lou Colbert, secretary, and Elizabeth Surrock, treasurer.

The girls held a picnic at Fox River Park Wednesday, May 31.

HONOR TEACHERS

The Annual Grass Lake School Teachers' Appreciation Luncheon, sponsored by three PTA, will be held June 9th, at 12 noon, at the Holiday House Restaurant, Rt. 134 in Ingleside.

The regular Holiday House Smorgasbord lunch will be served. It includes their 'all you can eat' policy.

The program, immediately following the luncheon will be a Fashion Show presented by Mrs. Marion Malecki of Queens Way Fashions.

For reservations or further information, phone Mrs. Dolly Haling at 395-2555.

LEAVE FOR NEW HOME IN MINNESOTA

Mr. and Mrs. Fritz Rydberg of 638 Parkway, Antioch, have sold their home and left Wednesday for their new home at Rt. 1, Cass Lake, Minn. 56633, where they plan to make their future home.

26th. Mr. Murawski was buried in Liberty Cemetery on Monday, May 28th.

Fire Department Holds Spring Dance

The Antioch Fire Department held a spring dance last Saturday for members and guests, the last social event for the entertainment committee of 1966-67. Bill Carney was chairman of the entertainment committee. Wives of members of the committee prepared the food. The dance started at 9 p.m. to the music of Art Smejkal and his band.

Will Be Visiting Local Congregation

The Antioch Congregation of Jehovah's Witnesses is planning a special week of activity the week of May 30-June 4. The Witnesses will be visited by a traveling representative of the Watchtower Bible and Tract Society of Brooklyn, New York.

F. H. Milliken will be visiting the local congregation to help them in their Bible teaching work, as well as giving several lectures on Bible subjects at the local Kingdom Hall.

The public is invited to attend the special program being held at the Kingdom Hall, Sunday, an hour lecture at 2:30 p.m. by Milliken on the subject, "The Heritage of Youth—Will It Be Good or bad?"

All sessions are free, with no collections taken, and will be held at the local Kingdom Hall, 894 Main St., (Rear).

"Your Kind of Bank"

Whose eyes will falter first? A scene from The Starin' Match. Left to right, Glen Morgan, Kathi Goss, Pete Marsala, Nikki Nissen, John Thompson, Jim Andre, Bonnie Bell, Al Murphy, Candy Bentel, Robert Murphy, Sue Toben and Gary Stahl.

Something New In Final Exams

Miss Mary Baehler, speech teacher at ACHS, has the answer for finals exams, as far as her advanced speech class is concerned.

During the past six weeks the advanced speech class has chosen, cast, directed, and produced two one-act plays. All the studying, re-

hearing, and working has gone on during the hour a day spent in speech class.

The two plays to be presented this semester are: "How to Propose" and "The Starin' Match".

How to Propose, a farce showing that proposals haven't changed down through

the centuries, includes a cast of the following young people:

Cave Man Peter Marsala
Cave Woman Susan Sherwood
Sir Montmorency, a knight Gary Stahl
Lady Ermintrude, the damsel Nikki Nissen
Vera Butts Kathy Gaston
Mr. Butts, her father John Thompson
Mr. McBean, the suitor Jim Andre

Cookie, a "hippie" Lonna Bury
Butch, a "hippie" Mike Lishamer
Linda Van Courtland Diane Seidelman
Kent von Porter III Peter Marsala
Lecturer Jim Litchfield
Elaine Popkins Lynn Geist
Stage hand, Murtie Kathi Goss
Stage hand, George Terri Collins

In The Starin' Match we see a small Southern town faced with a severe drought. When two strangers come to town claiming each can solve the problem, the pastor and the townspeople decide to have a Starin' Match for Mr. Black and Mr. White to determine which one is the agent of God and which one is the courier of the devil.

The cast of characters for The Starin' Match includes:

Linus Robert Murphy
Mattie, his wife Candy Bentel
Mollie, their daughter Sue Toben
Will Peter Marsala
Irma Bonnie Bell

was co-hostess. The Wylies and their two children are on their way to San Francisco, Calif., where Jim is to be stationed. Jean will be missed by the club as she was quite an active member.

Mother Visiting

Mrs. Jennie Kinner of Pittsburgh, Pa., is visiting her daughter, Mrs. Mary Garcia and her family. They hadn't seen each other for three or four years.

Salad Bar Luncheon

Mary Lohrillo is the new chairman for the Annual Salad Bar Luncheon and card party sponsored by the Prince of Peace Church, to be held July 19 at the church. Co-chairman is Myra Houghton.

In Vietnam

Friends of Duane Frontzak may be interested to know that he is working on Satellite Communications in Vietnam, 8 miles south of Saigon. He has been in the service just 8 months, and has been over there two months already. He said it was 100 degrees there. He is a PFC.

Garden Club Installation

The Lindenhurst Garden Club will hold their annual installation dinner at Ray Radigan's Restaurant June 1. Officers to be installed are: Bernice Frontzak, president; Mary Shore, vice president; Joan Bourque, secretary; Mary Lohrillo, corresponding secretary and Jean Hlavin, treasurer.

Rummage Sale

Mrs. Cecile Man is chairman of Prince of Peace Church's Annual Rummage Sale, to be held Friday and Saturday, June 23 and 24. Mrs. Gladys Sellberg is co-chairman. Mrs. Jenny Volpente is in charge of the kitchen.

It is estimated that governments at all levels will collect \$203 billion in taxes from the American people in 1967.

The directors and stage hands keep busy getting the props ready. Terri Collins, Mike Lishamer and Robert Murphy work on a wishing well.

New Neighbors

Introducing new neighbors this week:

Over at 1908 Fairfield Rd., we met Jim and Edie Dunn and their three children, Kathleen was 6 on Jan. 21, Jay was 4 Dec. 19, and Dennis will be three Sept. 8. They bought the Kockler home and moved here last November, from Chicago. Jim is employed by Teletype in Skokie and Edie worked at Goldblatt's in Chicago before the children came along.

Edie has joined the Women's club and has become an active member. After attending the last meeting she became ill around midnight, and was taken to St. Therese Hospital at 4 a.m. She received medication for a kidney infection and an appendicitis attack for the five days she was there. This was the first time she ever was ill, and we hope it is the last.

Charles and Sonja Lynch bought the Art Nelson home at 2108 E. Burr Oak Ln. and moved here last October from Great Lakes. Charles retired recently as a YN-1, after serving 21 years in the Navy. They will be married 11 years on June 6 and have four daughters, Vicky was 10, April 9, Vivian will be 7 on June 27, Vanessa will be 4, July 19, and Valerie will be 3 on September 30. The two youngest girls were born in Bremerhaven, Germany, where he was stationed for three years.

Charles started working for Abbotts last November. He is originally from Lynchburg, Va. He enjoys bowling in his spare time.

Sonja is originally from Chattanooga, Tenn. Her hobbies are sewing, gardening and bowling. She, too, has joined the Women's Club.

The older girls attend Hooper School and are in the Brownies and Girl Scouts. They enjoy cooking and baking, and crafts.

Mrs. Velma Mercer was a patient at St. Therese Hospital for 5½ days this month. She had an infection and had x-rays and other treatment. She is on medication but back to work.

Marriage Banns

The marriage banns of John Beranek of St. Aquinas, Ames, Iowa, and Mary Lou Von Stoesser of Prince of Peace parish, were announced May 21. They will be married June 10 at 12 noon.

Also to be married at Prince of Peace Church on June 10 at 10 a.m. are William Alan Bernau and Anna Lee Sencel Campbell of Zion.

Troop 151 Holds Mother-Daughter Dinner

Jr. Girl Scout Troop 161 held their annual Mother-Daughter banquet last Wednesday at the Lindenhurst Civic Center. Twenty-seven girls and their mothers attended. Honored guests were Mrs. B. Gibson, Sequoia Neighborhood chairman, Mrs. Carol Roth, Organizer for Lindenhurst and Venetian Village, and Mrs. Barbara Hendrickson, representing the Lindenhurst Women's Club, sponsor of the troop.

The tables were decorated in green and yellow, colors of the Girl Scouts. The girls made bird house string holders for their mothers, in green and yellow.

The program consisted of Toni Straka reading a Mother's Day poem; Lori Christensen and Cheryl Fitzgerald doing a ballet dance; and Cheryl Stangel and Nancy LaChance playing a clarinet duet.

Committee mothers recognized were Mrs. Pat Czarnecki, Mrs. Jeanette Ess, Mrs. Bernadine Long and Mrs. Toni Stapely. Girl Scout pins were given to Mrs. Adeline Christensen, Mrs. Cassidy and Mrs. Sonja Lynch. Membership cards were given to all. Mrs. Roberta Hazel is leader of the troop.

Farewell Party

Eighteen members of the Lindenhurst Women's Club attended a farewell party for Mrs. James (Jean) Wylie at the home of Mrs. Joy Manuel recently. Mrs. Lou Wollard

DEATH NOTICES

CLIFFORD L. MURAWSKE

Clifford L. Murawske, age 37 of Rt. 5, Antioch, died suddenly at his home Friday morning from an apparent heart attack.

Born August 3, 1929, in Chicago, he resided in Antioch the past 6 years. He worked for American Motors in Kenosha and was a member of Teamsters local No. 95. A veteran during the Korean war, he served in the U. S. Navy.

Surviving are his wife Sandra, and two sons, Alan and James at home.

Funeral services were held Monday, May 29, at 10:30 a.m. at Colonial Funeral Home with Pastor Alvin Pinke of Christ Lutheran Church officiating. Interment was in Liberty Cemetery.

EMIL E. GUNTY

Emil E. Guntly, 11 Pine-wood Lane, Antioch, 68 years old, passed away May 22 on his 44th wedding anniversary. He had lived in Antioch 2½ years, after moving from Chicago.

Mr. Guntly was born in Chicago January 3, 1899. He lived in Chicago until his retirement from the Metropolitan Life Insurance Co.

The Thrift Shop will gladly pick up your saleable cast-offs—call 395-0305 or 395-2247.

He was a member of the Knights of Columbus, Sacred Heart Council, and the WCU, Branch 122. He is survived by his wife, Marie L.; four sons, Lee M., Harold T., and Walter R. Guntly, all of Chicago, and Father Louis Cuntly, pastor of the Precious Blood Church at Banning, Calif., and by twenty grandchildren.

Funeral services were held May 25 from a Chicago funeral home. Interment was in St. Mary's Cemetery in Chicago.

ALFRED R. KOBELT

Alfred R. Kobelt, 73 years old of Beachwood Subdivision near Antioch, passed away at 6:00 p.m. Sunday, May 28, in Victory Memorial Hospital after a 10 month illness. He was born October 8, 1893 in Peterswaldau, Germany, and came to America in 1926 to reside in Chicago until moving to Antioch 14 years ago.

He had worked as a tool and die maker for the Sterling Hardware Co. in Richmond for the past 14 years. Mr. Kobelt was a member of St. Paul's Lutheran Church in Chicago. He married Agnes Steinhaus on April 6, 1918 at Pulcin, Germany.

Survivors are his wife, Agnes, one daughter, Mrs. Lorraine (Joseph) Neumann, Chicago, one son, William A. Kobelt, Antioch, one brother, Gustav Kobelt, Antioch, and three grandchildren.

The Rev. Wilton Anderson of St. Stephen Lutheran Church of Antioch officiated

at the funeral services which were held at 1:00 p.m. Wednesday at the Strang Funeral Home in Antioch. Interment was private.

MRS. MABELINE VAUPELL

Mrs. Mabeline Vauppell, 69 years old of Ackerman's Subdivision near Antioch passed away at 5:15 p.m. on Monday, May 29, in Victory Memorial Hospital after a three year illness. She was born Feb. 17, 1898 in Chicago and had lived in Oak Park, Ill., for 38 years before moving to Antioch. The property on Lake Marie where they lived has been in the Vauppell name since 1892.

She and her husband operated Vauppell Pharmacy at Polk and Western Ave. in Chicago from 1919 until their retirement in 1953. The business was started by his father in 1884. She was a member of the Antioch Methodist Church and Martha Circle of that church. She married George F. Vauppell on Jan. 1, 1917 in Chicago.

Survivors are her husband, George F. Vauppell, Antioch, one son, George H. Vauppell, Oak Park, Ill., one daughter, Mrs. Florence M. Revell of Antioch, one brother, The Rev. Norman E. Edwards of Phoenix, Arizona, and eight grandchildren.

Funeral services were held at 1:30 p.m. today (Thursday) at the Strang Funeral Home in Antioch. The Rev. Donald Cobb offi-

ciated at the service. Interment will be private. Friends desiring may make memorials to the Antioch Rescue Squad.

Straight answers and full truths about electric heat

(for the people who plan to buy or build this year)

Frank answers about electric heat for those of you who are planning to spend 20 thousand dollars, or more, for a new home that you'll probably live in for the next 10 or 20 years. You owe it to yourself to investigate the many advantages of electric heat.

As a background, you should know there are 8 million people in the United States now living in electrically heated homes. Estimates indicate that this year 27% of homes being built will have electric heat. And, by 1970, over half of all new homes will be heated electrically.

Let's look into the why's and wherefore's.

Just how happily can you live with electric heat?

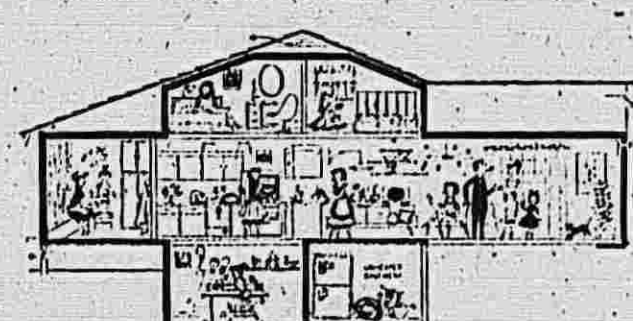

Properly installed, the comfort and convenience of electric heat far surpasses anything you've ever experienced before.

For example: you can step from your shower in the dead of winter and still feel warm. Baby can play on the floor when it's 20 below outside, and not be chilled. You'll even discover yourself cleaning less because electric heat is so dirt-free.

Proper installation assures comfort

Commonwealth Edison will be pleased to consult with your architect or contractor to assure that your electric heating system is designed for your house and installed in accordance with approved engineering standards.

Insulation should also be installed ac-

Heavy black line indicates proper insulation.

cording to recommended standards. When an average six-room house is properly insulated at the time of construction, it will add less than 1% to the total cost. Good insulation will not only repay this investment in less than 4 years by cutting heat loss, but will add greatly to your comfort. And in the summer your home will be cooler, too.

With electric heat, you can pick the type of heat you want for your new home.

There are 5 basic types of flameless electric heating equipment. Depending on your heating requirements, one system can be used separately, or several may be teamed together.

If space is at a premium, or you want room-by-room temperature control, electric baseboard units or ceiling cable probably will work best.

The electric heat pump either heats or cools, depending on the outside temperature.

Electric central heating systems which use electrically-heated warm air or electrically-heated hot water are available in a variety of types to fit any need. They can be combined with electric central air-conditioning systems to provide year-round comfort.

Electric wall panel heaters provide radiant heat and are best suited for bath and dressing rooms or other areas where space is limited.

What about the cost of electric heat?

All things considered, electric heat will probably cost you somewhat more than gas heat. For example, you should expect to spend about \$200 per year for electric heat in a properly insulated six-room house—or about \$60 more than gas heat. This does not take into account maintenance and decorating savings with electric heat.

However, electric heat rates have steadily declined. Since 1958, Commonwealth Edison has reduced electric heat

rates more than 50% and still further reductions are expected for the future.

Electric Heat is designed to outlast your mortgage (even if it's for 30 years).

After 15 years of operation, during which you would have little, if any, maintenance, look what has happened to your friend with gas heat. During this same 15 years, chances are he will have replaced his furnace (at \$300)—paid out another \$40 to run the pilot light 15 summers, and paid an additional \$225 for furnace cleaning, maintenance, and a big supply of filters.

Electric heat's great for growing families, too.

How many of your friends have outgrown their homes a few short years after they bought them? They plan to add a room or two, and come face-to-face with the old bugaboo—heating the new area.

With gas, frequently they must buy a new and bigger furnace or settle for less-than-satisfactory space heaters. Not so with electric heat. You add as much heating capacity as you need to your new wing almost as simply and inexpensively as adding new wiring.

That's the story!

Anyone about to spend the money a house costs these days ought to know he's spending his money wisely.

We happen to think that your heating dollar will be far better invested in modern electric heat, and we've tried to show you why.

If you'd like more information about electric heat, please call our nearest office.

Commonwealth Edison Company C. E. Co.

Sequoit Tracksters 2nd In Conference

Antioch was outpointed by the Lake Forest squad at the Northwest Conference Track Meet at Wauconda last Saturday, May 27, to finish in second place.

The Lake Forest squad piled up 81 points to Antioch's 62. Scores of other schools were Round Lake 34, Wauconda, 30; Warren, 13; Grayslake, 12; Grant, 8, and Lake Zurich, 0.

Don Zeman of Antioch set a new conference record for the pole vault at the meet, vaulting 12' 2". Zeman far out-distanced his nearest

competitor, Barry of Lake Forest, who cleared the bar at 11' 1/2".

The loss of the first-place position was a bitter blow to the Antioch squad. They had dedicated their performance to Frank Zeman, a junior on the track squad, who is hospitalized as the result of a collision with a schoolmate while playing ball.

Coach Andrews praised his squad for a fine job. "The boys did their best, and did well," he said. "It was just the breaks. We knew Lake Forest was strong, but we ex-

pected some of the other schools to take more points away from them than they did."

Paul Yuska and Bob Biaggi, members of the Sophomore squad, were promoted to the varsity for the conference meet. Both boys contributed points for Antioch, Biaggi taking third in the mile and Yuska fourth in the 220.

Antioch's 880 relay team took first place, with a time of 1:34.8. Wayne Hansen scored a first in the shot put, 51', and Don Zeman's record pole vault of 12' 2" took first.

Second places for Antioch tracksters were Bill Sheldon's 24.7 in the 220; Antioch took second in the mile relay; Bill Nader, discus, 148' 5".

Third places for Antioch, Bob Murphy, the 120 yd. high hurdles, 17.5; Bill Sheldon, the 100 yd. dash in 11.4; Jim Litchfield, the 880, 2:07.3; Bob Biaggi, the mile, 4:57.2; Wayne Hansen, discus, 141' 6 1/2".

Fourth places for Antioch, Dave Blagg, the 880, 2:13.7; Blaine Backman, the 440, 55.2; Bob Murphy, the 180 LH 23.6; Paul Yuska, the 220, 25.2; Bill Nader, the shot put, 47' 8 1/2"; Bill Sheldon, the broad jump, 18' 11 1/2".

Fifth place spots were won by Russ Barthel, the 180 yd. LH, 24.2; John Mikosh, the mile, 5:07.5; Glen Otfedahl, the high jump, 5' 6".

SOPHS TAKE THIRD

The Sophomore Track Squad finished third in Saturday's Conference Meet. Wauconda was 1st with 68 points, Round Lake, 55 1/2; Antioch, 43; Lake Forest, 27; Grant, 21; Grayslake, 10; Lake Zurich, 8 1/2 and Warren 8.

First places were scored by Don Koenig in the 100 yd. dash at 11.6, and Don Dill in the 220 at 26.3.

Second places were taken by Fred Koch, the 1200 HLI; the 880 relay team; Don Koenig, the 220; Fred Koch, the shot put.

Third places, Don Dill the 180 LH; the Antioch team in the mile relay.

Fourth places, Fred Koch, the discus, and Rick Nelson, the pole vault.

Fifth place, Clarence Archer, the 880.

Alternates were called and the race restarted. Harold Gutche was leading on the final lap when Cossman tried to overtake him, but spun, Cossman was promptly clomped by Ralph Simmen, damaging both cars. Meanwhile Jack Ester sped by three laps up and then nipped Gutche at the finish line.

In the very next event, the first heat race, Dick Strom was involved in a big tangle and took a quick double flip. Three heats later, it was Paul Craddock doing the identical stunt in the midst of a gigantic pileup.

Crowd excitement ran high as 34 hobby stocks entered the two qualifying heats for their feature. Tom Schumacher was a flip victim in his heat. Harlan Groban and Bill Bevins won the preliminaries. Then when all the cars had stopped spinning and climbing walls, Mickey Kelly came home the feature winner.

Day-long rains forced the postponement of the modified Memorial Day Classic races 'till next Sunday night, June 4. A 50 lap feature will top a full card of races then at the Waukegan Speedway as all of the area stars will be entered. The first race will start at 8 p.m.

Don Zeman set a new conference record for the pole vault of 12' 2" at the Conference Meet last week.

Gutche Wins Late Model Feature

Al Gutche emerged the late model feature winner Saturday night at the Waukegan Speedway. A rash of accidents plagued the races all evening, however, there were no injuries.

Gutche moved into the feature lead on the very first lap and then survived three restarts to record his first win of the season. By the fifteenth lap Mike Wolff had closed in from his near-rear starting position and raced inside Gutche to briefly taste the lead.

Gutche went back into the lead and try as he might, Wolff could not take over top spot. With five laps remaining, Dave Evans closed in on the two leaders, but couldn't improve his position. At the end of 30 circuits, this trio took the checkered flag nose-to-tail. Ron Kalous finished fourth and Dennis Burgan wound up fifth.

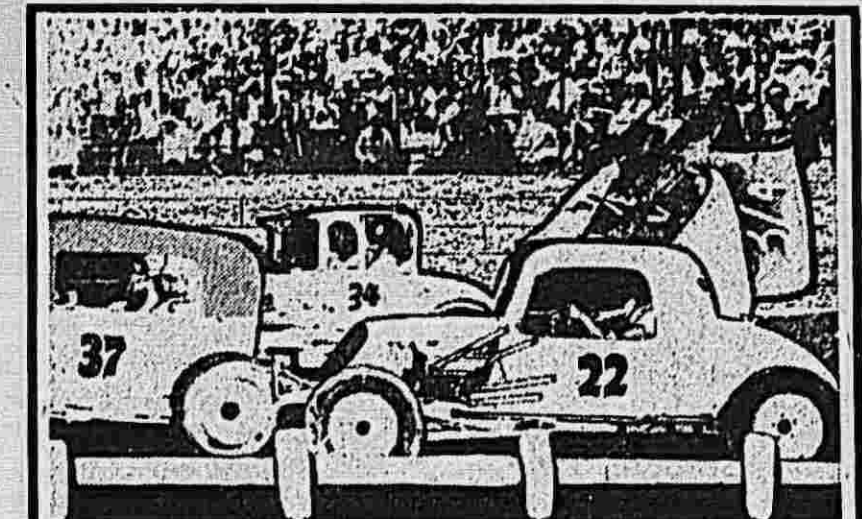

Fans got a clue to the wild action in store for them before one lap of the trophy dash was history. A wheel broke free from Al Hagerty's car and Burgan, directly behind, vaulted over the tire and part of Jim Cossman's car, tilted precariously on two wheels and crashed into the backstretch wall.

Legion Team Tryouts Sat.

Tryouts for the American Legion baseball team will be held Saturday, June 3, from 1 to 5 p.m. at the Antioch High School athletic field.

All young men born on or after August 1, 1948, are eligible for the team.

The international boundary line between the U. S. and Canada is crossed more often than any other in the world.

News of Lakes Sports

THURSDAY, JUNE 1, 1967 THE ANTIOCH NEWS 6

High Scoring In KC Ball League

The first game scheduled in the Knights of Columbus softball league Wednesday night, May 24, was cancelled when the Old Timers team failed to appear. The team was dropped from the league.

Tom's Grocery downed Casey's Tap, 19 to 15, in the second scheduled game of the evening. Jim Hall was the winning pitcher and Frank Heiselmann the losing pitcher. Don Pyles of Casey's team belted a grand slam homer during the game.

Friday, May 26, Club Alibi scored 25 runs to 7 for the losing K. C. team. Lee Williams was the winning pitcher, Dave Ferrigan the losing pitcher. A home run scored

by Jerry Grizuk of the K. C.'s. Two double plays, one by Club Alibi from second to first, and one by the losing K.C.'s, from 3rd to 1st, highlighted the game.

The Antioch News team fell victim to a 28 run scoring spree by Homan's Sporting Goods in the second game Friday. The Antioch News scored 5 runs.

Bob Hamm was the winning pitcher, Bernie Clappert the losing pitcher. Six home runs were scored by Homan's; two by Dick Kazlauskis, 2 by Tom Lewis, 1 by Fritz Kazlauskis and 1 by Ray McCullom. Homan's also came up with a double play from 2nd to 1st.

Otto Wins Feature; Schedule Midget Cars

Rodger Otto started the modified stock car feature for 30 laps at Lake Geneva Speed Center Saturday night in the 18th position. Following a restart on the 8th lap, he shot into third and finally got around Bill Bohn for second on the 23rd lap and then with just three laps left, passed leader Don Scoree, to score his first feature win of the 1967 season. Scoree had led from the fifth lap after passing Rodger Jackson who took the early lead from Tom Shaw.

From the ninth lap on it was the five cars of Scoree, Bohn, Otto, Duane Harris and Claude Potter running so close that anyone of them could have been the winner and even at the end all five cars were bunched when they

took the checkered flag.

The winning combination must have been easy to spot for three different cars correctly picked a perfect finish on their TOTAL cards before the race started and will each share one-third of the \$200 prize that had been built up since Total started this year. Total will again start at \$50 built up each week or until beaten again.

Those winning will get their checks Monday night at the Special Indy Eve Fifty Race at the Speed Center, are Paul Keller of Kenosha City, Amanda Otto, a cousin of Rodger Otto, from Lake Geneva, and Sandra Orman of Racine.

Ken Monroe of Pell Lake, Frank Gasparin, Jim Sullivan, John Overdahl, and

Walt Kline were among the modified drivers to make their first appearance in competition for this season.

Although the weather was again cold, attendance of both fans and cars continued to show a gain over the previous weeks for the fourth time. There were so many spectator stocks that a third heat had to be added to accommodate all the entries.

USAC Indianapolis Drivers To Race at Speed Center

The United States Auto Club, which sanctioned the Indianapolis 500 mile Memorial Day Race, will bring several of the top names in auto racing to the Lake Geneva Speed Center Friday night, June 2, for the first midget auto races ever held at the Speed Center.

Heading the list of national drivers will be Mel Kenyon of Davenport, Iowa, and Bobby Grim of Indianapolis who were in Tuesday's race at the 50 Mile Speedway. Kenyon is a former champion of midget cars.

Two other former national driving champions of the USAC Midgets will also be in the field.

They are Bob Wente of St. Louis and the current defending champion, Mike McGrevey of Heywood, California. Most of the entries will be driving the 110 Offenhauser powered cars but several will be using potent stock block conversion racing engines.

The race entry list also includes three sons of former great drivers. Entered are Gary and Merle Bettenhausen of Tinley Park who are sons of the late and great Tony Bettenhausen, former

Season Record Of ACHS Ball Team

The Antioch High School varsity baseball team finished the season with a record of 4 wins and 12 losses.

Scores of the games through the season were: Antioch 0, Lake Zurich 3; Antioch 8; Grayslake 2; Antioch 3, Grant 9; Antioch 0, Wilmot 4; Antioch 7, Warren 2; Antioch 2, Wauconda 3; Antioch 1, Lake Forest 3; Antioch 3, Lake Zurich 7; Antioch 2, Lake Forest 7; Antioch 5, Grayslake 6; Antioch 1, Grant 8; Antioch 1, Round Lake 4; Antioch 7, Warren 3; Antioch 0, Round Lake 6; Antioch 9; Wauconda 0, and Antioch 7, Round Lake 8.

Pitchers for the Antioch team were Wayne Channel, Mike Wells, Rich Stroner and Marnie Baker. Channel won 2 games and lost 4 over the season; Wells had no wins and 4 losses; Stroner had 1 win and 0 losses, and Baker had 1 win and 4 losses.

Stroner, with 5 times at bat, had a batting average of .400. Baker, with 22 times at bat, had a batting average of .272; Al Comstock, 42 times at bat, average .262 and Gregg Drije, 48 times at bat, average .250.

Gregg Drije was named to the All-Conference team last week.

The Antioch Community High School varsity baseball team. Left to right, front row, Marty Baker, Terry Nickerson, Bob Hockmuth, Dick Petersen. Second row, I. to r., Allen Comstock, Gregg Drije, Tim Dobsiaff, Mike Wells, Richard Vitek, Manager Keith Petersen. Back row, Richard Stroner, Carl Jennrich, Wayne Channel, Joel Strahan, Steve Miklautsch, Bill Blecke, Coach Bill Seemann.

Harris Wins Feature At Wilmot

Duane Harris, the northern Illinois speed star, set his sights on the checkered flag in Friday night's 25 lap feature race at the Kenosha County Fairgrounds and literally shot his way around Roger Otto of Burlington to take his second feature win in as many weeks at the Wilmot oval.

Bill Bohn lost a pulley on his fuel injection system while coming off the last turn and practically came to a standstill in the midst of traffic. However, he was able to limp his car into the infield removing the possibility of a serious accident and preventing a red flag.

John Reimer tied the track record of 17:17 during time trials. The track record is now shared by Reimer and Bill Goeden.

Although the weather conditions were ideal, the attendance on this long holiday weekend was not. An increase of 15 per cent over the opening night's attendance was hardly visible in the stands.

All-Conference Team Selections

Here is the complete roster of the Northwest Suburban Conference All Conference Baseball team: Jim Kriech, OF, Lake Zurich; Ken Eiserman, OF, Lake Forest; Brad Hanson, OF, Warren; Tom Carter, OF, Round Lake; Bob Reese, P-OF, Grayslake; Greg Drije, 1b, Antioch; Jim Prok, 1b, Round Lake; Pete Schmeisser, 2b, Grayslake; Tom Wittum, 3b, Round

Lake; Kurt Schraut, ss, Lake Zurich; Russ Schlichtemeyer, ss, Round Lake; Charles Plant, ss, Lake Forest; Phil Mondralla, c, Grayslake; Bill Lehmann, c, Lake Zurich; Jim Garrett, p, Grayslake; Terry Periman, p, Wauconda; Jody Wallock, p, Round Lake; and Terry Taylor, p, Grant.

Honorable Mention was accorded the following players: Steve Andrews, Grayslake; Grant Cardinal, Tim Boese, both of Lake Forest; Robert Tichenor, Lake Zurich; Bill March, Lake Forest; Dennis Gibson, Round Lake; Jeff Comfort, Lake Forest; Kurt Kampendahl, Wauconda, and Ron Coons, Warren.

WATER LEVEL GOOD

Water supply and soil moisture conditions were generally good at the beginning of May, despite slightly below-normal spring rainfall, William C. Ackermann, Illinois State Water Survey chief, reports.

Rainfall has been deficient in most of the state for the last three months, February through April, but the spring totals are only slightly below the average in northern and central sections, Ackermann said. The greatest deficiency is in Southern Illinois, where totals are 3 to 3.5 inches below normal, or about 70 per cent of their normal for these three months.

Groundwater levels also were slightly below normal on May 1, reflecting the lighter spring rains. However, the natural water table has reached above-normal levels in parts of Northern and Western Illinois, where April precipitation was high.

Charles A. Lindbergh took off on the first trans-Atlantic solo flight May 20, 1927.

National driving champion Gary won a 100 lap race at Muncie, Indiana last Friday and on Saturday finished fifth in the Yankee 300 late model stock car race at Indianapolis.

Rodger Branson, son of the late Don Branson of Champaign, Ill., will drive a car that he and his father built prior to his death at the Ascot Speedway in December of last year.

Tom Bieglov of White-water will drive the Gills Chevy from Joliet and Don Vogler will drive his own Florida Championship Car. A record number of entries should result as USAC drivers will also be in action in late models and championship cars in Chicago and Milwaukee following the Lake Geneva race.

Junior Bowlers Win Trophies

The Junior Bowling league from the Antioch Bowl held their banquet at Joe & Helen's Little Acres last Thursday night. Trophies were awarded to the top team and to the individual bowlers for high games, series, etc.

The team sponsored by the Antioch Fire Department took top spot in the league. Bowlers on the team are Jeff Wegner, Karin Johnson, Mary Lou Muller and Tom

Jermakowicz. The Antioch Police Dept. team took second place, with bowlers Ray Palenik, the president of the league, Caroline Krantz, Candy Krantz and Al Boston.

The Antioch Cab Co. team took third. The team is made up of Tim Barty, Pam Allen, Narda Costanzo and Bill Hagstrom.

Jeff Wegner had high series for the boys with a 543; Mary Lou Muller and Tom

227 was second high in the league.

Phil Maplethorpe and Ray Palenik tied for high game, each with a big 236. Phil also had second high series with 618.

Pam Simonsen had high game and high series for the girls, with 511 and 227. Glenna Burns was second high with 496 and 190.

Driving is different day and night. Fatal accidents increase with darkness even though there are fewer cars on the road at night.

The Indian Ocean is entirely in the Eastern hemisphere.

The team sponsored by the Antioch Fire Dept. took First Place in the Junior League. Left to right, Jeff Wegner, Karin Johnson, Vern Barnstable representing the Fire Dept., Mary Lou Muller, and Tom Jermakowicz.

Second place team was sponsored by the Police Dept. Left to right, Ray Palenik, president of the league; Caroline Krantz, Sgt. Jack Davis, Candy Krantz and Al Boston.

These youngsters were top bowlers in the Junior Bowling League this season. Left to right, Jeff Wegner, High Series (643); Glenna Burns, 2nd high games and series, 190 and 496; Pam Simonsen, high game and series for girls (511 and 227) Ray Palenik and Phil Maplethorpe, who tied for High Game of 236.

Third place team was sponsored by the Antioch Cab Co. Left to right, Tim Barty, Pam Allen, Jack Heick, president of the cab Co., and Narda Costanzo. Bill Hagstrom, the fourth member of the team, was not able to be present.

we care

**real
tough
customer**

Because you can't fool him.

He likes peanut butter.

As a matter of fact, he's an expert on the subject.

But he's a tough hombre to convince.

He doesn't want to hear about Ann Page's "jet-roasting" process.

Don't tell him we remove the air in the mixture to improve flavor—or that, nutritious as it is, Ann Page Peanut Butter costs less.

He doesn't care about details.

We care and you may care. But he doesn't.

He just wants it to taste good.

Luckily for us, Ann Page Peanut Butter tastes so good.

A&P Customers prefer Ann Page by more than 3 to 1 over any famous brand sold in our stores.

To satisfy your "tough customers," shouldn't A&P be your store?
